

Sponsorship Rates

SUB LEAGUE

The Submission Wrestling League, more popularly known as “Sub League”, offers a number of unique sponsorships to fit your needs. Sub League runs each spring with three separate events: two qualifiers and a championship. All sponsor logos will appear on subleague.com, the official event website, which receives on average 500 hits per day. Logos will remain on the site throughout the season, from the time sponsorship is committed until January 2012 (when 2012 promotion begins).

Sponsorship funds go directly toward athlete prizes, trophies, staffing, facility fees, and event promotion. Your contribution directly rewards participants and showcases your company as a supporter of cutting edge young athletes and the grappling community. Thank you for helping to promote the sports of Brazilian Jiu Jitsu and submission wrestling in the Northwest!

Presenting Sponsor - \$2,500

Presenting sponsors will receive the most prominent logo placement of all supporters, in regard to frequency, size, and position. Presenting sponsor logos will appear on website; season poster and promotional packet (mailed to 75 gyms throughout the Northwest); printed materials (packets, registration, programs); and season T-shirt.

In addition, Presenting Sponsors are invited to post a promotional coupon as well as a banner ad on the event website (subleague.com). Finally, presenters are entitled to a season booth to display their products and/or services at all three events and are encouraged to display their company banner.

Major Sponsor - \$1,000

Major Sponsors have a unique promotional opportunity to present their brand to the grappling community and to demonstrate their support of local athletes with an on-site booth at the events. In addition to booth space, Major Sponsor logos are displayed on the website, season poster and promotional packet, printed materials, and event T-shirt.

Booth Sponsor - \$700 season | \$550 two events | \$400 one event

Booth Sponsors are entitled to a booth during the events of their choice, placing their products and/or services in front of hundreds of athletes and fans. Logos will be displayed on subleague.com, on-line season poster and promotional packet, and event T-shirt.

Contributors - \$300

Contributing Sponsor logos will appear in front of countless athletes and fans on website, season poster and promotional packet, printed materials, and event T-shirt.
